Commodores Communiqué

Hi Everyone

I hope all are well and keeping warm as the winter takes its grip. Unfortunately the winter winds have not yet arrived and we are still rather landlocked by the hyacinth.

We have to brag a little as one of our youth has done very well overseas. Rohan Chidley was one of 4 young South African sailors to compete in the recent European Optimist Championships in Brest France. He finished 148th in a strong fleet of 180 in light to moderate conditions. Very well done Rohan, we are very proud of you.

Rohan and Adrian leave for the Seychelles on the 22nd of August 2019 to represent SA in the African Optimist Championships. We wish you both the best of luck, give them horns. We know you will do us proud.

I would like to wish Susan Rautenbach a speedy recovery; she was in hospital recently for a procedure on her foot. Our thoughts are with you Susan.

The telephone lines have been restored at the club after being down for 3 weeks in April/May. I have been in contact with Telkom and unfortunately there is no LTE coverage currently in Scott Street. I will follow up with Telkom from time to time as they are in the process of rolling out LTE in the area.

You all know TYC's email address and telephone number. You can visit www.tyc.co.za for our sailing and social calendar, history on the club, and various articles. We try keeping it as up to date as we can. We also have 2 Facebook pages (go like/follow TYC Sailing and TYC Social) and WhatsApp groups too so if you want to be added just let us know. They can be rather handy for updates as to what is happening at the club.

Upcoming events:

Xmas in July -	13 July 2019 18h30 for 19h00
Commodores Dinner -	03 August 2019 18h00 for 18h30
Opening Cruise (preceded by morning tea) -	04 August 2019 09h30 for 10h00

Look out for our next Adult Sail Training on Saturday 3rd August and Youth Sail Training on Sunday 4th August. These are very well attended.

I hope to see many of you at these fun filled functions.

Best Regards
Ralph Paterson
Commodore

Rob Wallendorf has installed our new web cam, thank you Rob.

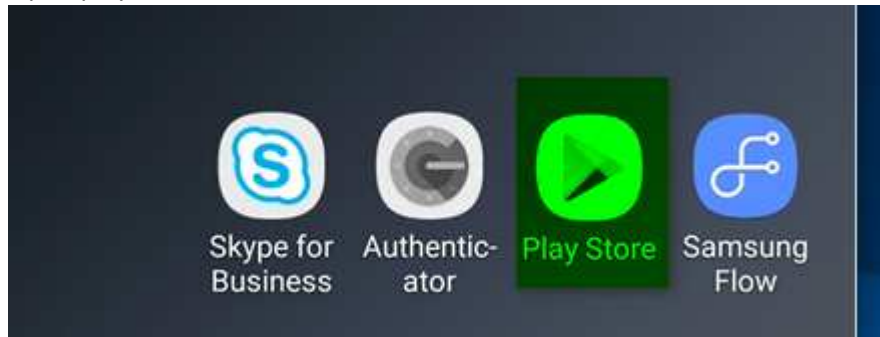

Instructions as follows:

- 1) Use of the TYC webcam on any device is entirely at your own risk. TYC will not be liable for any damage or loss caused by the software installed to access the camera.
- 2) Use of the camera will incur data usage. This is for your own account.
- 3) You can pan the camera but please return it to a position with the flag pole on the left of the image.
- 4) The camera is in a box to protect the privacy of those in the office / committee room. If you can't see outside, someone may have turned it too far.

5) Please don't adjust any of the other settings available!!!!

Android:

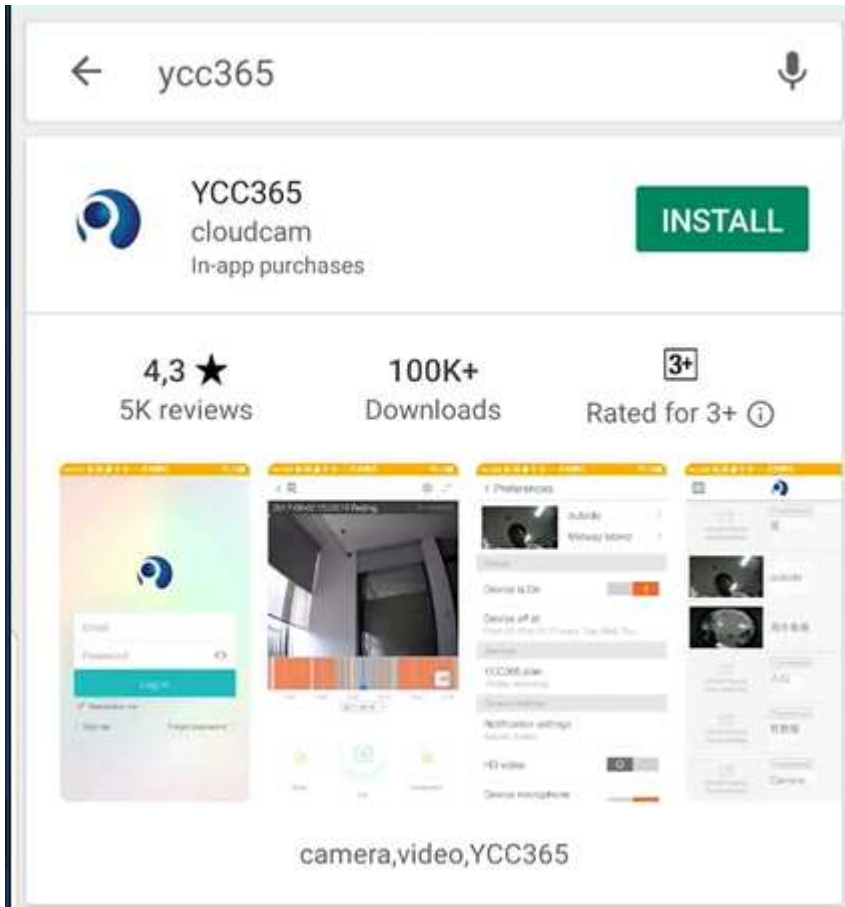

- 1) Open play store:

- 2) Search for Ycc365:

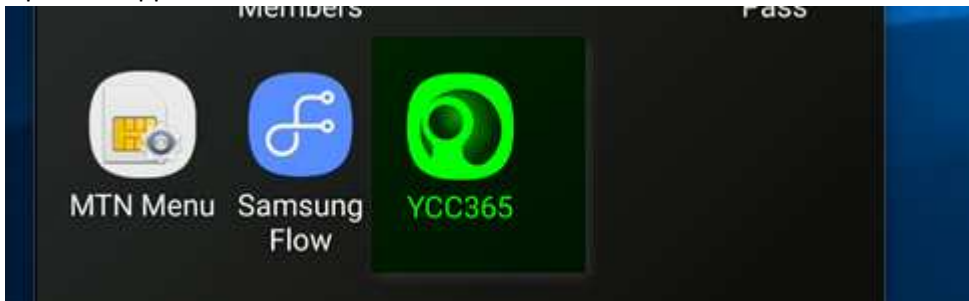

3) Install:

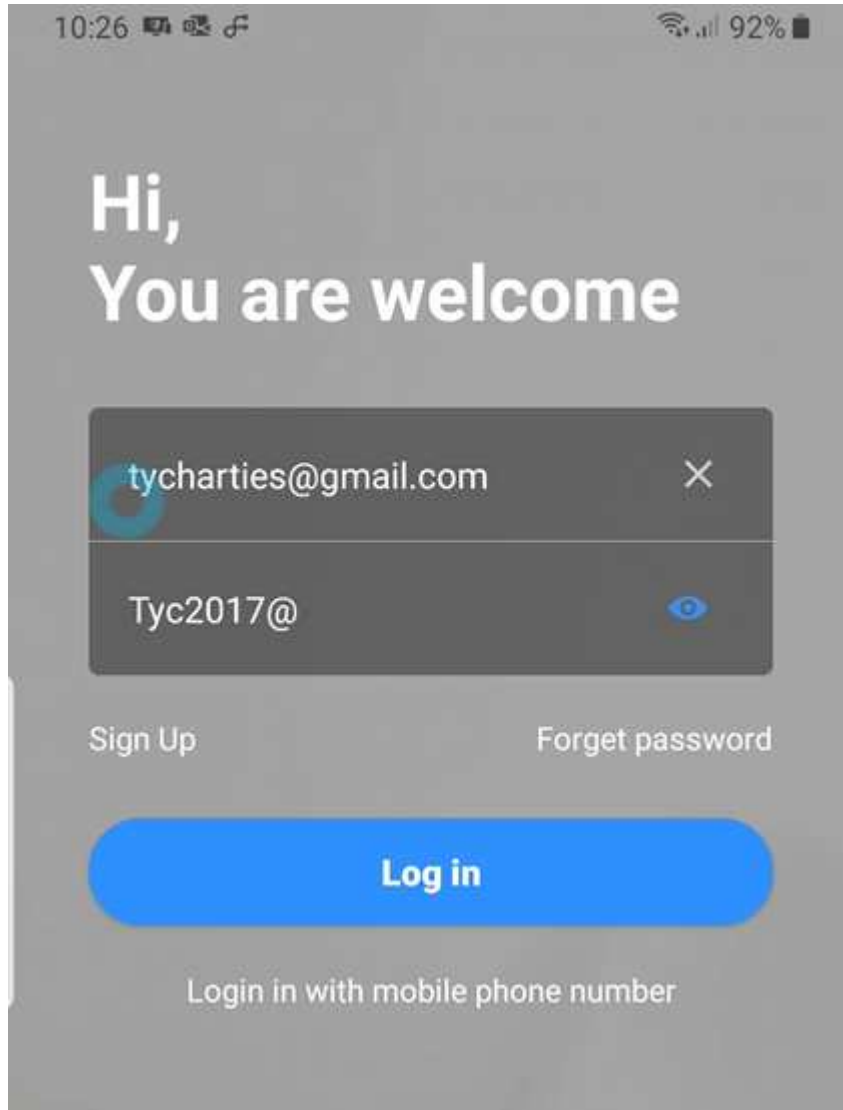

4)

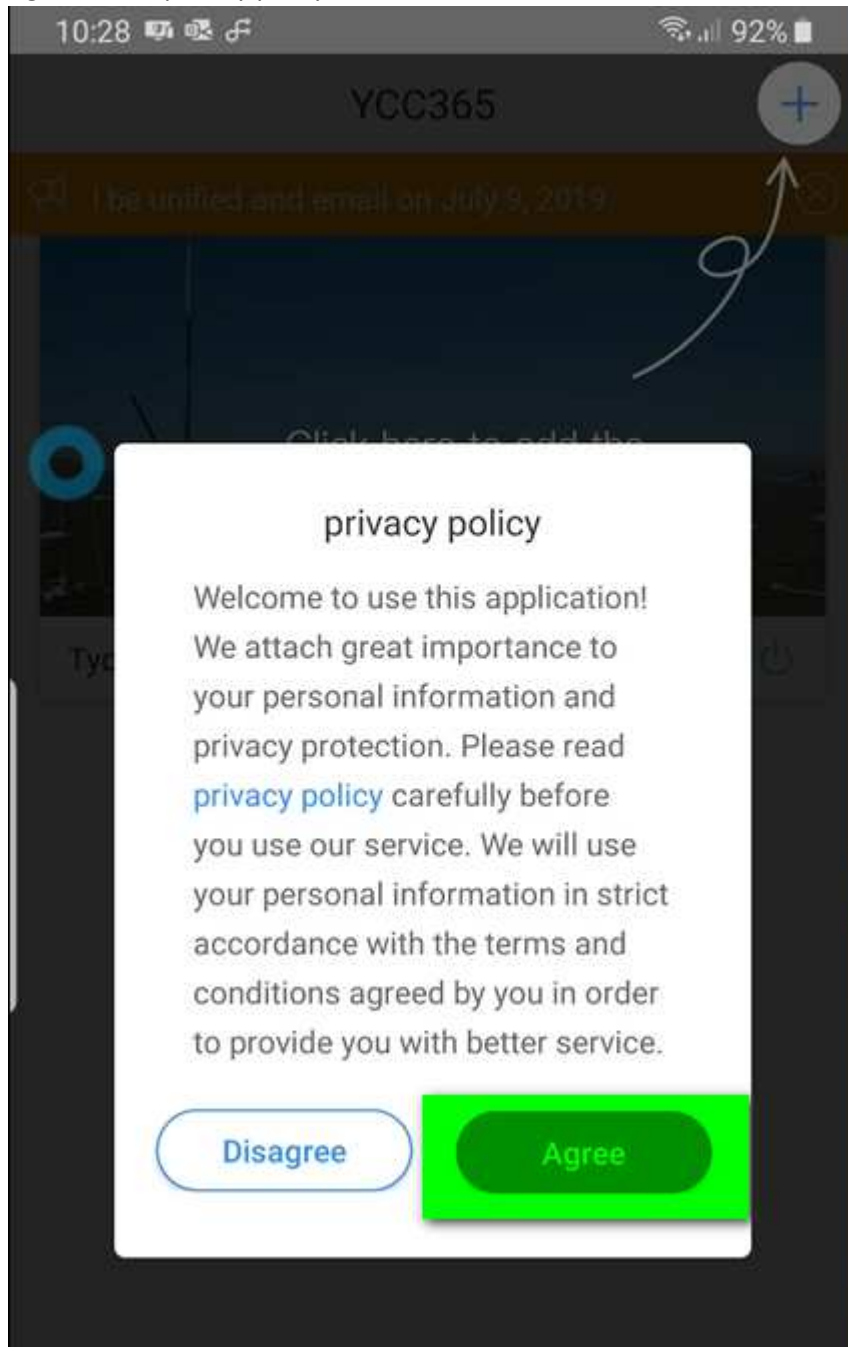

5) Open the application :

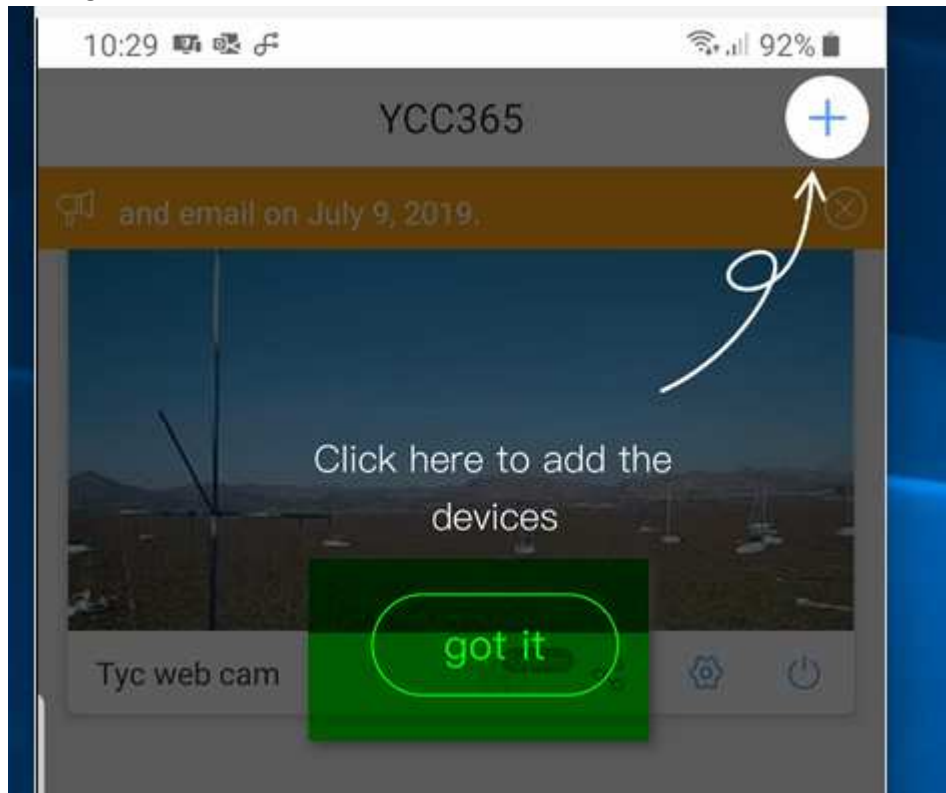

- 6) Enter the email address: tycharties@gmail.com and password : **Tyc2017@** (password is case sensitive) then Login.

- 7) It is your choice (but recommended) to save the email and password on your phone.
- 8) Agree to the privacy policy:

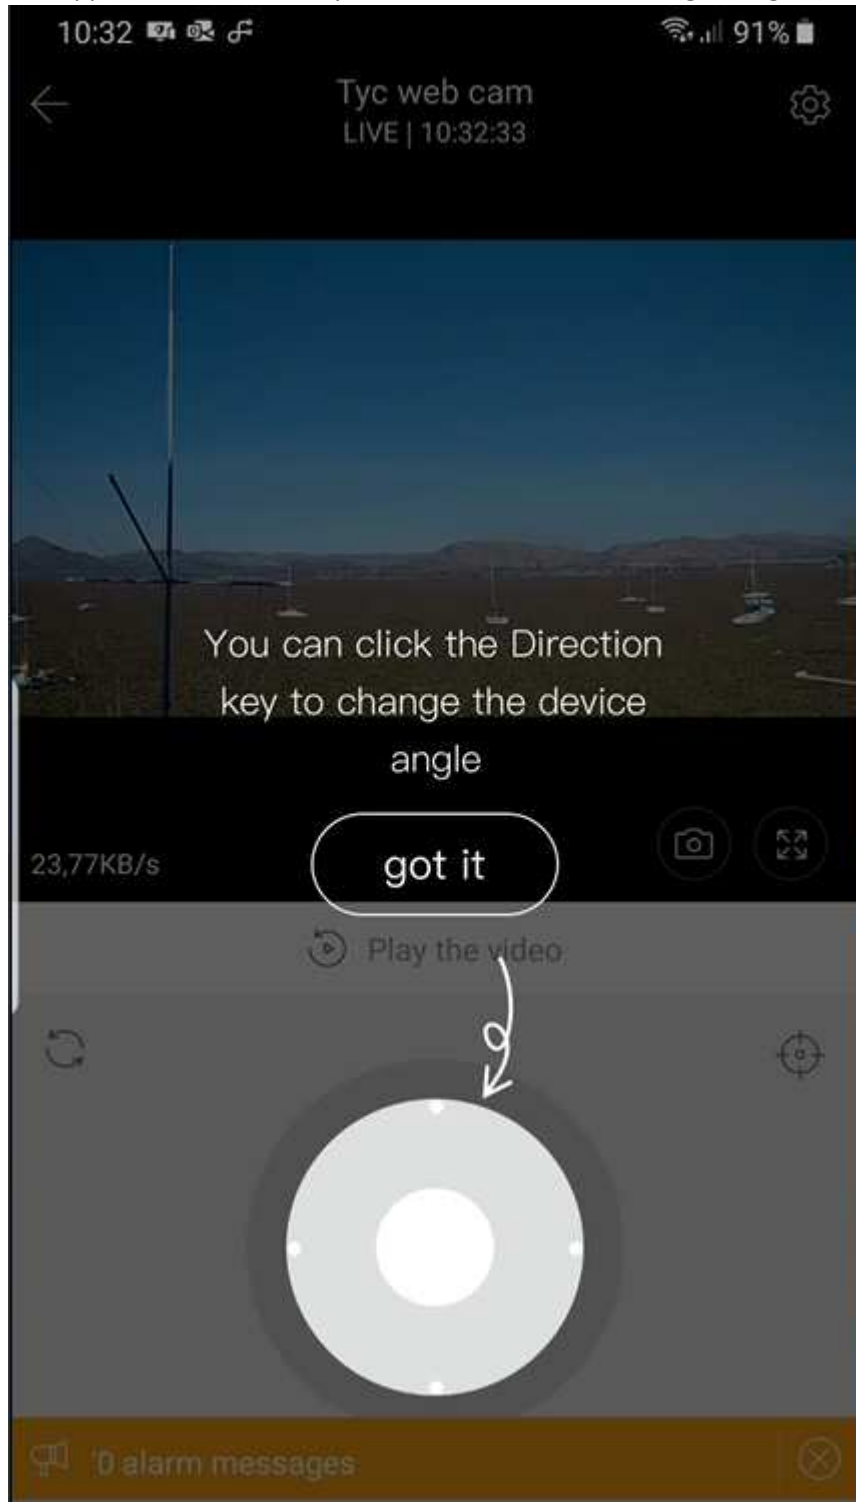

- 9) "Got it":
select got it for the next 4 screens:

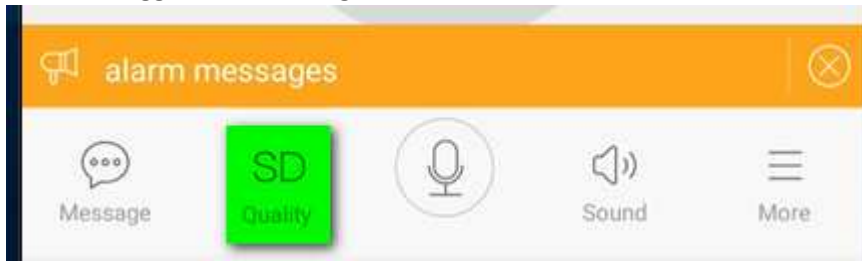

You should now see the image from the camera.

10) The application will inform you of the direction control: (got it again)

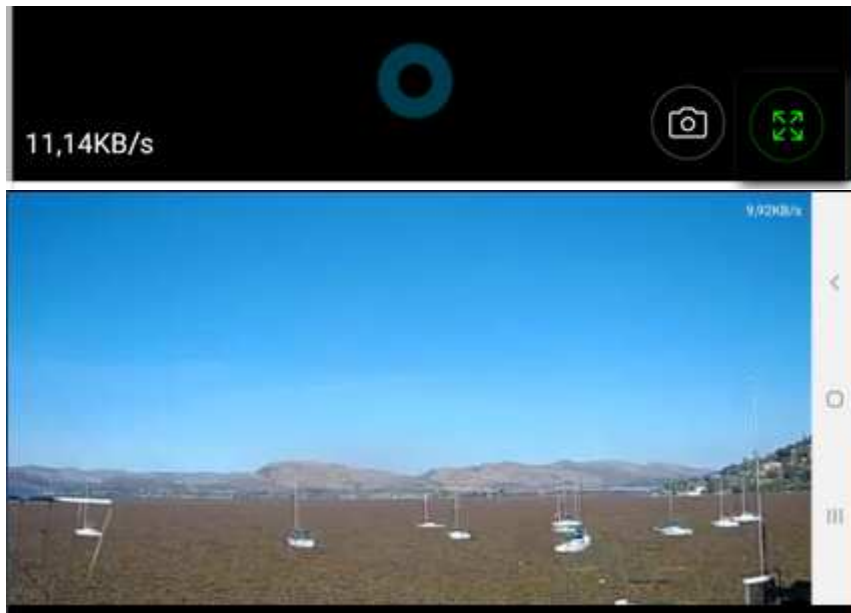

11) You can toggle between High Definition and Standard definition:

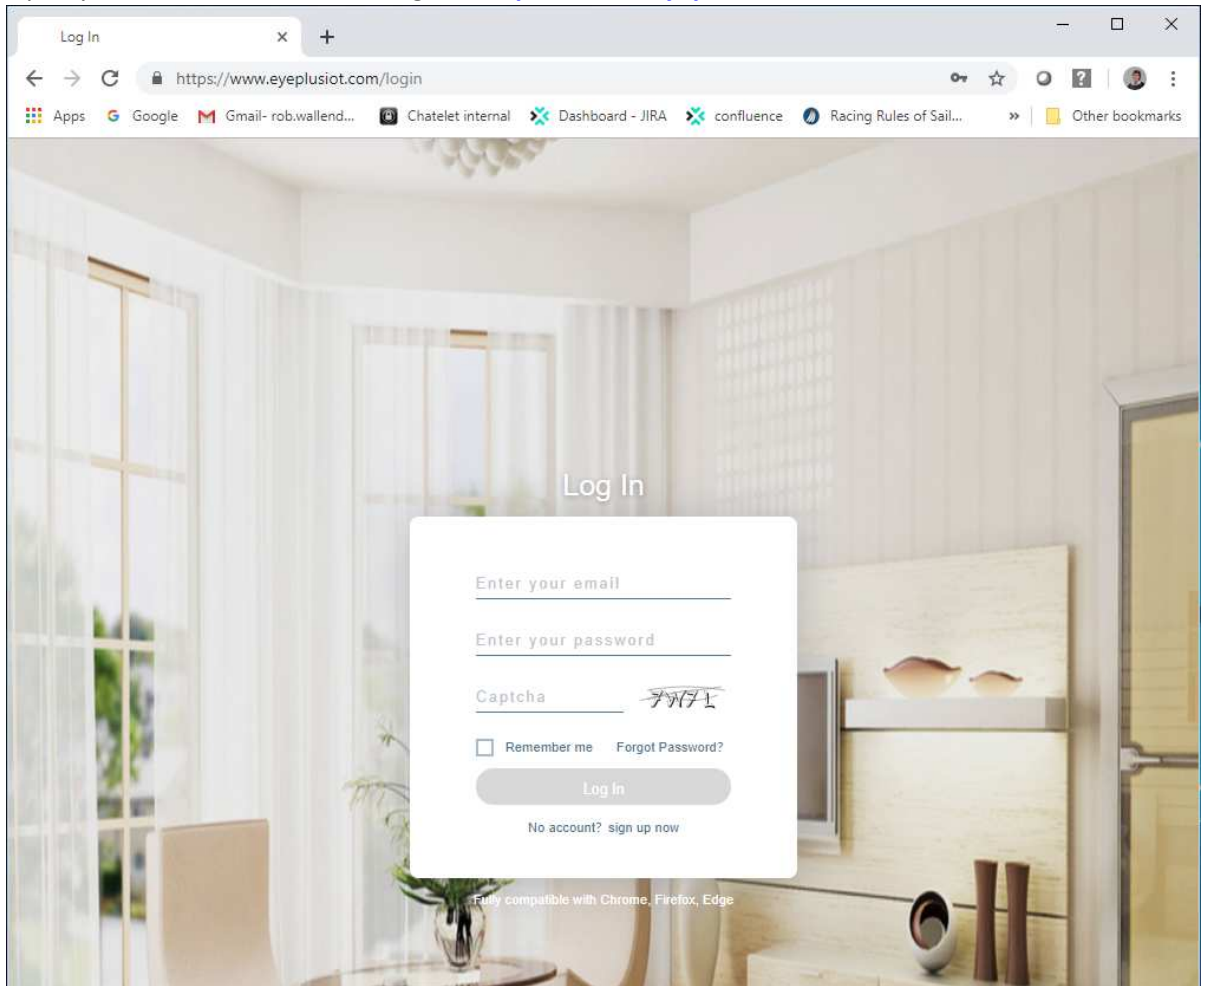

HD will use more data!!

12) For full screen mode use this control:

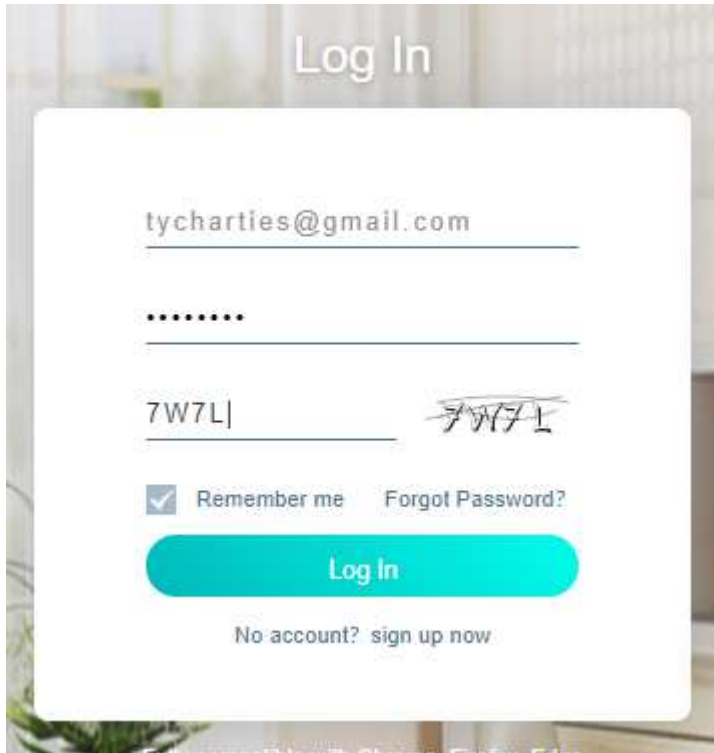

PC web browser:

Open your favourite browser and go to <https://www.eyepusiot.com>

Email is tycharties@gmail.com and password Tyc2017@.
The captcha will change each time you open the site.
It is optional to select remember me.

Please don't turn the camera off:
